Cumberland Island National Seashore

Copyright ©2016 Georgia Conservancy

Trails were mapped by GPS in 2015–16. Other features were derived from National Park Service data, USGS Digital Elevation Models, the National Hydrology Dataset, and orthoimagery from the USDA-FSA Aerial Photography Field Office. Projection: Universal Transverse Mercator zone 17 North, North American Datum of 1983.
Always verify your itinerary with a park ranger before hiking.

2016 magnetic north 6.6°+ 0.1°/year

Cartography by Redwood Hikes Press
Campbell, CA

Contour interval 5 feet
Scale 1:25,000

Miles 0 ½ 1

Roads
- Paved roads with 3 or more lanes
- Two-lane paved roads: trailhead access routes; other
